Les on the Line

Welcome back to Deepdale as we bid to record our third successive victory and ease ourselves away from the lower reaches of the third division. I am sure you all enjoyed our derby day victory over Bolton on Saturday when we played some excellent football and could easily have run out more convincing winners.

There were some super individual efforts but a special word for our new signing Colin Greenall.

It is no secret that we have been tracking Colin for some time and I am delighted we have finally managed to bring him to Deepdale. He is a great pro and a very good player. Defensively we have been missing a piece in the jigsaw and I believe Colin will be a great asset to the team. That fact was proved on Saturday and he could take real credit from the fact that his partner, Mike Flynn, won the man-of-the-match award.

Swansea City, tonight's opponents, have recovered well after a very slow start to the season and currently find themselves in mid table.

Our confidence has been doubled and trebled by the events of the last week and I just say that against both Darlington and Bolton Wanderers we were delighted with the level of support.

Please get behind the lads again tonight and let's see if we can make it three in a row.

From the Boardroom

DEREK SHAW

We are pleased to welcome Mr. Derek Shaw to the Board of Directors here at Deepdale.

Mr. Shaw was approached a few days ago and has accepted our invitation.

A great fan of Preston North End, attending games from being a schoolboy, Mr. Shaw has supported the club in a variety of ways over recent years.

Most particularly this has involved sponsorship - his company, Ribble Valley Shelving, has, of course, been the club's shirt sponsors for the past two seasons.

He joins the Board at a time when we need the help and support of every committed North Ender.

We believe that he will prove to be a very useful addition to the team and wish him every success.

• Our General Manager (Commercial) Paul Agnew is keen to further develop the club's "communications". Paul has recently taken on the role of Press Officer and as an immediate result many positive things have happened in a short space of time. We have already held a fans meeting and taken part in a special radio phone in. If you have any points to make Paul is willing to listen.

LIVE ON SKY

The first leg of the Autoglass Trophy southern Area Final between Stoke City and Peterborough United will be televised live by BSkyB. Under The Football League's exclusive contract with the satellite t.v. company, BSkyB can screen up to three Autoglass Trophy matches live as well as games in the Zenith Data Systems Cup.

Both clubs will share a £25,000 facility fee for coverage of the game which will be played on Monday, 6th April 1992, kick-off 7.45 p.m.

FINANCIAL BOOST FOR CLUBS

Third Division clubs were given a significant boost this week with the news that the Chancellor had decided to extend the reduction in pool betting duty for a further five year period beyond the original 1995 deadline. The extension, which depends on satisfactory club plans for the implementation of the Taylor Report, is expected to generate a further £100 million for football. Lord Justice Taylor's Report had given Third and Fourth Division clubs until season 1999-2000 to convert their grounds to all-seater stadia.

Commenting on the announcement, Football League President, Gordon McKeag said: "The news that the Government is to make this additional funding available is a tremendous boost for the game and recognises the enormous progress that has been made in the implementation of the Taylor Report.

Mr McKeag added: "With the Football Trust now in a position to distribute significant funds throughout the ten year period set aside for Taylor implementation, this week's announcement is particularly good news for clubs from the Third and Fourth Divisions as they seek assistance to meet the Taylor deadlines."

THIRD FORCE

The autoroute to Wembley gets ever shorter for Third and Fourth Division clubs as the Autoglass Trophy reaches its closing stages. And three clubs from the Third Division remain in the hunt for a Wembley appearance on Saturday, 16th May 1992.

But first the Area Finals have to be contested over two legs, with Stockport County taking on Fourth Division Burnley in the northern section whilst Stoke City face Third Division promotion rivals Peterborough United in the southern Area Final.

The full details for the Area Finals are as follows:-

NOT MEN ONLY

Women and children made up more than 20% of Brentford's gate during their home game last weekend against Bradford City. One of the results of the match day survey undertaken by the Third Division club last Saturday, showed that 1,484 women and children attended Griffin Park - a statistic which the club believes is testimony to their policy of encouraging family football. On the same day, the Club's Community Scheme in the shape of Women's Development Officer, Barbara Cole, received widespread media coverage when Neil Kinnock attended one of the projects Saturday morning football clubs at the start of the Labour Party election campaign.

Supporters Club Football

On Saturday 21st March, a party travelled up to Darlington, to play a match against Darlington Supporters Club, at Hundens Park. Another fine display saw us winning 7-0. The scorers were Phil Ryding (3), John Marland (2), Brian Baggley and Steve Green (Nipper) who scored the goal of the game with a fine 20 yard chip. Afterwards we adjourned to the Quakers Sports Centre, adjacent to Feethams for refreshments kindly provided by the Darlington Supporters. Our thanks to Steve Robertson and his team for their hospitality.

Liaison Meeting between Supporters & Police

Last week a group of representatives of the supporters' club was invited to Preston Police Station to meet the officers responsible for keeping Deepdale trouble-free on match days. Mike Barton, author of the informative column in the programme, has been promoted and the meeting was a way of getting to know his replacement, Inspector John Hurley, and to let us know of developments.

Mike said that he had recommended there should be a Supporters' Club representative on two committees - the Safety Advisory Committee and the Emergency Services Liaison Committee. He also said that he had suggested to the advisory committee that the fence at the Kop End be removed, but that fences in other areas of the ground nearer the visiting fans would have to stay for the time being.

He said that in his opinion football hooliganism was not dead, but merely kept in check by effective policing, and this had influenced the decision to put the Birmingham match back a day. Birmingham;s current success had attracted some followers who might have been tempted to spend the bank holiday weekend making trouble if the match had been played on Easter Monday. He felt that receipts from extra attendance on the Monday would have been eaten up by increased policing costs, so the club would be no worse off for this decision. If Birmingham were still in contention for promotion then the match would need to be all-ticket.

He asked us for our views on de-segregating fans, as he always liked to talk to visiting supporters and wanted to know if we had any ideas for allowing fans to get together peacefully.

Amongst other matters we also discussed the problem of players using bad language that would lead to fans being arrested. As usual in our meetings we had an open and useful discussion.

Reserve Round Up

With the death on Wednesday (18.3.92) of stalwart club servant Harry Hubbick. It was a sad day for our club and having to play a Reserve game on the same evening, must have caused anxiety to the players, who in their respect for this very loved and admired man, all wore black arm bands. This fixture vs Grimsby Town Reserves from Blundell Park at Cleethorpes on the south Humberside coast, was the last of five consecutive weekly home games, three being drawn, and one defeat against Stoke City Reserves - a small crowd of 70 was in attendance at the kick-off.

PONTIN'S CENTRAL LEAGUE - DIVISION TWO - GAME NO. 26
Preston North End Res. (2) 2 Grimsby Town Res. (2) 2

Played at Deepdale Wednesday 18th March 1992

Grimsby fielding the stronger side taking into account the overall accumulated Football League appearances took the lead in their first attack on goals after 4 minutes had been played - Christian Hargreaves - a 19 year old Cleethorpes' born forward strode through the North End defence at ease - guiding the ball to the right of an out-rushing John Bagnall into an undefended empty net. Stephen Finney, a talented skillful player had been unlucky not to score on the 6th minute, but he made no mistake when his second chance came along on the 14th minute, scoring an exceptional headed goal at the near post from a Gareth Ainsworth right-wing cross to equalise.

Although North End were creating more chances and showing more commitment to the cause than in previous games, they still allowed the 'Mariners' to regain the lead, some sloppy defending allowed again Christian Hargreaves the space and time to knock in with ease, a pass to the far post (39th min).

Again Stephen Finney was unlucky with a header being kicked off the line on the 41st minute; followed a minute later (42nd min) by an outstanding equaliser - the goal originated from a high cross from the left side on the half way line by the maturing Morecambe born defender Matthew Lambert, the ball dropping into an unguarded goal area, Gareth Ainsworth spotting Town's keeper Steve Sherwood advancing off his line, looped a header over him and under the bar into the net - for his first goal for the Reserves.

Although the half-time score of 2-2 stood the same at full-time, the second period was not devoid of action, especially from the robust Gareth Ainsworth who was unlucky not to get a penalty awarded to him - in fact he was unjustifiably treated by a very lenient referee after some harsh tackling by the Town's defenders - the only punishment being 'dished' out was a booking for left full back, Paul Agnew (81 mins).

Teams: Preston North End Reserves: Bagnall, Moylon, Siddall, Eaves, Hughes, Lambert, Ainsworth, Swann, Greenwood, Finney, Christie, Subs: Flitcroft for Christie (69th min) Kerfoot for Moylon (74th min)

Grimsby Town Reserves: Sherwood, Croft, Agnew, Futcher, Handyside, Ford, Burns, Watson, O'Kelly, Hargreaves, Barraclough, Subs: Dunlop for Ford (79th min), Harriott for Hargreaves (82nd min)

Refreshing the Memory with Mike Payne

The "Black Prince" Alex Dawson, hat trick hero against Swansea City

Preston North End have a remarkable record over Swansea at Deepdale. The Welshmen have visited us 23 times in their history and they have only one win to their credit in all that time, so if you believe in 'bogey' sides then the visit of the Swans today may work in our favour. This is, in fact, the 50th meeting between the clubs so a milestone has been reached. The most famous of those clashes came in the 1964 FA Cup semi-final but as I covered that match extensively last year I will concentrate on a few of our league meetings.

One of the most eventful games was played here on the 20th of April 1963 when, after an amazing match, we triumphed 6-3. The first-half was not a good one for Preston and in the first minute a mistake by Willie Cunningham led to Ken Morgans giving Swansea City the lead. Soon though Preston were over the shock as Alex Dawson converted a Peter Thompson cross to equalise. This lifted the Deepdale boys and it came as a big surprise when Swansea City regained the lead in the 31st minute. It was very much against the run of play when Ted Thomas netted following a free-kick.

After a half-time pep talk Preston came back strongly and Jimmy Smith put them level again with a fine header. A minute later an own goal by Peter Davies put the home side into the lead for the first time, and then Nobby Lawton made it 4-2. Still the action continued as first Thomas pulled a goal back before Dawson made the result clear with two more goals in the 82nd and 88th minutes to also complete his hat-trick. Certainly a match full of incident.

Another action packed meeting came the following August when Swansea City again hit three goals here but this time it was to earn them a point. Five minutes into the game Dave Wilson beat the offside trap to centre and Dawson headed a great goal. Big Alex certainly enjoyed playing against Swansea as he went on to another hat-trick with two more goals. Before that though Keith Todd had equalised after Alan Kelly and Tony Singleton had got themselves into a tangle. Then the Swansea City team suffered a real blow. Goalkeeper John King rushed out bravely to dive at Alec Ashworth's feet only to be carried off with a bad injury. Ken Morgans took over in goal and was soon having to face a penalty from Dawson. Immediately after half-time Dawson completed that hat-trick and it looked all over. However, Swansea City fought hard and after King had come back on to make a nuisance of himself on the wing (No subs in those days don't forget) they managed to draw level again. First Brayley Reynolds sneaked a goal and then with two minutes left the same player equalised. It was no more than Swansea City deserved.

Other snippets from matches against Swansea City here at Deepdale. Dean Saunders, now of Liverpool of course, hit a goal in North End's 3-2 win in November 1984, the winning goal coming from a marvellous strike by Graham Houston. Swansea's Robbie James scored a great goal here in March 1989.....for North End! He sliced an attempted clearance past his own keeper. And last season two Graham Shaw goals gave us a 2-0 victory.

Finally a match to remember from November 1950. 25,898 people watched as Charlie Wayman (2), Tom Finney (penalty), Ken Horton and Bill Lucas (own goal) gave us a fine 5-1 win. That game marked the beginning of a 20 match unbeaten run which took us towards the Second Division Championship.

TRIVIA TIME

Alex Dawson scored a total of 8 goals for North End against Swansea City including a penalty in that FA Cup Semi-Final in 1964. Graham Shaw also has a liking for them as he already has four to his credit.

TRIVIA TIME

In April 1990 a 2-0 victory over the Swans at Deepdale was unique in that both the goals were scored by our full-backs. That was only the fourth time since the war that both full backs had scored in the same match.

TRIVIA TIME

Swansea City were North End's first league visitors after the installation of our artificial pitch. John Thomas and Osher Williams hit our goals in a 2-1 win with Shaun McCarthy being the first visitor to score a league goal on our carpet.

On this day ..

The following is a selection of games played by Preston North End on this particular date in years gone by.

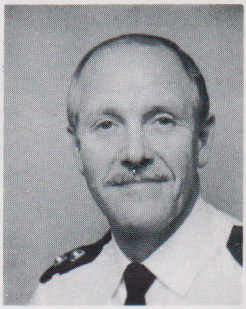
The first time we played on this date was 109 years ago when we lost 3-5 at Accrington in 1883.

Football Beat



I wonder how many people will travel up from South Wales for tonight's match. It is interesting to note that last seasons fixture was held on Tuesday, 26th March, (almost exactly one year ago) and, on that occasion, the attendance was 3,491 with only 19 Swansea supporters.

However many make the trip this year let me extend a warm welcome to each and every one of you.

One thing that occurred to me recently was the possibility (let's hope so) of a Division 3 packed with local derbies next season. While this would create more policing problems for us, it could be a real treat for the supporter. Much, of course, depends on whether Preston North End can retain 3rd Division status. I am writing this article in an optimistic mood, after victory at Darlington, but before the Bolton result.

Are we likely to have a 3rd Division containing Preston, Blackpool, Burnley, Bury, Stockport County, Bolton Wanderers, Wigan Athletic, Chester and even Rochdale. That would boost attendances and add a special sort of North West Hot-Pot flavour to Division 3. Meanwhile, will Swansea Town be looking for Cardiff City to get promoted. I hope I will get a chance to discuss this with some of the Swansea City faithful. Perhaps local rivalry will lead some to say they would prefer to see Cardiff City stay in 4th Division. No such sentiments from Preston North End supporters who, I understand, are eager for Blackpool to be promoted!!

I recently read an article in the press (Not the Lancashire Evening Post) which was critical of football policing nationally. This caused me to give extra thought to how we should police Deepdale.

I am impressed with the work my predecessor, Mike Barton, has done. We need to enforce the law in an attempt to beat the hooligan and bring back the family atmosphere. Perhaps, more importantly, we need to communicate with the fans and make sure most people are on our side. All this has to be done with public safety in mind.

I hope you all (Swansea fans included) find the Deepdale 'Bobby' a friendly and helpful one.

Enjoy the match!

Inspector John Hurley

Programmes involving Preston North End playing opposition on a neutral ground are usually quite rare. Today we feature two such programmes, both against near neighbours Blackpool, at different venues.

The 1956 issue printed in pink gives a small amount of reading material as well as the two teams line-up. The game was Westmorland's 7th Annual Invitation Trophy match, with Blackpool being the holders of the trophy as they had beaten Bury 4-2 the previous season. Preston drew 2-2 in this game with Dennis Hatsell & Sammy Taylor scoring our goals. It was North End's 5th friendly of the 1955/56 season. The others were (H) vs Hibernians 0-4; (H) vs Falkirk 3-2; (A) vs Coventry City 4-1 & (A) vs Motherwell 3-2.

The 1946 friendly programme is a small dirty white issue (could be due to its age) with only the bare essentials inside the cover - the line-ups. Priced at 3d as well! The game was in aid of the Bolton Disaster Fund and a 7,000 crowd saw this game also end up at 2-2. McIntosh & Dougal scored for North End. More recent games involving North End at neutral grounds are vs Crewe Alexandra at Liverpool (FA Cup 1977), vs Port Vale at Stockport (Lge Cup 1978), vs Sheffield Wednesday at Everton (FA Cup 1957) and vs Leicester City at Sheffield (FA Cup 1954).

Did you know.....

We once played a friendly against Blackburn Rovers at Halifax!!! We lost 4-5 on 15th February 1896. PNE once played Aston Villa at Hampden Park, Glasgow at Baseball!!
